

# THE *Spirit of Life*

WRITTEN BY DAVID L. HERBERT, SR.

## **Introduction**

This book, *The Spirit of Life*, was written to help believers set their minds on things above. When we set our minds on the things the Spirit desires we will not fulfill the lusts of the flesh. Thinking of heavenly things sets us free of this present, evil world. In the Gospel of Jesus Christ, a righteousness, which is by faith, is revealed.

This book will help you renew your mind and clothe yourself with Christ. Each page has its own spiritual thought. After reading one page, stop and meditate on it; allow it to take root in your heart. Think about how you can apply these truths to your own life.

The natural mind cannot understand the things of God, but those who have God's spirit will know the truth and it will make them free. This book is written to those who have the Spirit of God to encourage them in the faith. My desire is to pass on the knowledge that I have received to young believers or to those who have not had a mentor in their life. I want to pass on things with which God has comforted me in hopes it will comfort you also.

I also desire to call the church to repentance that America might be restored, and to turn the hearts of the fathers back to their children; to call busy church people back to their families, and to prepare their families for the coming of the Lord.
