## **Walk in the Light**

When we walk in the light, as He is in the light, we have fellowship with one another and the blood of Christ cleanses us from sin. This is not talking about attending church and having fellowship. This is saying, if I walk in the light and if you walk in the light, you and I can have fellowship with one another and the blood of Christ will cleanse us from sin.

Those who willingly walk in sin walk in darkness, and light cannot fellowship with darkness. God says, “Come out from among them and be ye separate and I will be your God and you will be my people (His sons and daughters).” Those who call themselves Christians and willingly walk in sin will not inherit the Kingdom of God. They walk in darkness thinking no one knows what they are doing or sometimes not caring whether others know it or not. Their religious service to God is faithful church attendance. God is not blind — He knows your sin.

Sin has consequences. You are only hurting yourself. You will reap what you sow. You are unaware that Satan has taken you captive to do his will, and you will not inherit the Kingdom of God unless you repent and ask God to deliver you from the evil one. The church must put out the wicked from their midst. He that is born of God will not continue to practice sin.

Jesus is returning for a holy church where the children of light have fellowship one with another.
